

The Heart of Ocean Value Chain, Maximizing Connectivity & Opportunities

Since its foundation in May 1980, the Korea Marine Equipment Association (KOMEA) has been making a significant contribution to the advancement of Korea's shipbuilding and marine equipment industries. In particular, with the inauguration of Korea Marine Equipment Global Service Center (KOMECS) in 2010, KOMEA is bringing ocean value chain together for closer global cooperation activities, shaping the future of the marine equipment industry. The 240-odd KOMEA member companies account for roughly 80% of Korea's total marine equipment trade volume, showcasing value of KOMEA existence.

Dedicated Mission to the Enhancement of Global Marine Equipment Trade

KOMEA is providing practical and outward-looking services, carrying out such pillar projects as overseas market development, support operation of overseas workstations and expansion of after-market function. On this context, KOMEA is expanding domestic and overseas cooperation networks, managing and operating Korean pavilions, dispatching of overseas trade mission, cooperative bilateral MOUs around the world, organizing seminar & conference as well as staging technology, certificates and education activities.

KOMEA Brand Power, Generating Clients' Trust & Shaping Future

Based on the wealth of experience and expertises accumulated over past 40 years, we have built up valuable brand power, generating trust and reliability a from our clients at home and abroad. Illustratively, KOMEA is one of four member representative members of the share growth movement in the shipbuilding and marine equipment sectors along with the central government, local governments and KOSHIPA. Moreover, KOMEA is playing a role of representative organizer of all-Korean pavilions at major exhibitions around the world.

Innovating the Innovation, Driving Smart Media Platform Creation

Under our guiding principle "Innovate the Innovation," KOMEA is driving smart platform and publishing various kinds of publicity materials aimed at maximizing connectivity and opportunities, responding proactively in the era of digital transformation. Lastly, wishing all our clients good fortune and good health throughout the world, we solicit your continued support for drive for the shared growth and co-prosperity.

KANG, HO-IL

Chairman

Korea Marine Equipment Association (KOMEA)
